

# Pixel Amusement Bulbs

## Specification Sheet

## Product Number

### APPLICATIONS

- Casino Sign
- Amusement park lighting
- Playground fair lighting
- Game machine
- Exterior Accent

### FEATURES

- Low profile
- Easy installation
- 3 year warranty
- Customizable

### SPECIFICATIONS

CCT: Full colour RGB  
Colour: Black wire  
Material: Plastic  
Type: High cup type  
Beam Angle: 360°  
Diameter: 60mm  
Spacing: Maximum 10 inches  
Punching hole size: 20mm  
LED: 18 pcs 5050 LED  
Remark: Direct replacement  
Cover: Transparent PC cover  
IC: UCS1903 IC  
IP Rating: IP66  
Control: Each LED is addressable  
Maximum 20 pcs connected

### BENEFITS

- Low power consumption
- Water resistant
- Low maintenance
- Constant Current

### POWER ENVIRONMENT

Input Voltage: 24V  
Total Power Consumption: 3W per pcs  
Requires Special Controller

### WORKING ENVIRONMENT

Temperature: -30°C to +50°C  
Indoor/outdoor
